As part of the 2010 Intern Information program, QLD Health is hosting an Intern Information Session for all Bond and Griffith University final year medical graduates on Wednesday 12 May 2010 5:30 pm — 7:00pm.

The session will run for approximately 1.5 hours and will address the following issues:

- QLD Health's commitment to interns
- The Recruitment process
- Priority definitions
- Processes surrounding deferment of internships, late starts, part time internships etc

In addition to the above topics, time has been allocated for a Question and Answer session on completion of the presentations.

**Please note**, if you have particular questions you would like addressed during the Information Session please speak to your student representative, who will email your questions to QLD Health to ensure they are included in the presentations.

Also in attendance on the night will be representatives from some recruiting QLD Health facilities, to provide an opportunity for students to speak directly to facility staff about any hospital specific questions you may have.

If you have any queries in relation to this event, please email:
